## NOTICE OF ANNUAL GENERAL MEETING

The 2008 Annual General Meeting of the North American Section, IRSE, will be held on Tuesday, May 20, 2008 at the Gaylord Texan Resort and Convention Center, Grapevine, Texas. Included in this years AGM are a series of Technical Presentations in conjunction with the RSSI show to be held during the week. The NAS Business meeting will be held immediately following the presentations and timed to allow all to attend the RSSI reception that evening.

### PRESENTATIONS

The IRSE will be presenting several papers at the RSSI show starting at 1:00PM Tuesday, May 20, 2008. We are currently planning 4 to 6 papers related to new safety approval processes and lessons learned here in the US and abroad with presenters from the FRA, Industry, and IRSE. This is being advertised by the RSSI, so please be sure to attend and show your support.

### ELECTIONS

Two committee member positions will be coming up for vote at the next AGM. If anyone has someone they wish to nominate for a committee position, please do so by return email or letter to the above address.

### DINNER/Cocktails

On Thursday, May 22, 2008 we are planning to meet following the RSSI show for Dinner and Cocktails.

### TECHNICAL VISIT

On Friday morning, May 23, 2008 we are planning a technical visit to DART.
